Positions filled from the CSB Eligible List

Below, you will find a brief description of the duties associated with each of the job categories filled from the Fairfax-Falls Church Community Services Board eligible list. The description shown below is not intended to be comprehensive, but rather a general indication of functional level and typical duties associated with the job category. For example, a Mental Health Therapist in one program area may have responsibilities that are quite different from those in another program area, even though both positions are classified as a Mental Health Therapist.

Mental Health Supervisor/Specialist - Under general clinical and administrative direction, serves as a first-level supervisor, providing direction to a group of professional therapists in the implementation of a specific service or in a residential setting; OR coordinates an agency-wide support function with clinical orientation; OR serves as a therapist assigned to Emergency Services or the Mobile Crisis Unit.

Substance Abuse Counselor III - Under general clinical and administrative direction, functions as a first-level supervisor, providing direction to a team of treatment staff; OR coordinates an agency-wide support function with clinical orientation.

Mental Retardation Specialist III - Under general clinical and administrative direction, supervises a group of specialists; OR provides supervision to multiple residential facilities and assigned staff; OR coordinates an agency-wide support function with clinical orientation.

MH/MR/ADS Senior Clinician - Under administrative supervision, functions autonomously as a licensed primary therapist in a specified outpatient program, performing a comprehensive array of professional treatment services for the most acute mental health population and requiring extensive clinical expertise; OR serves as a primary therapist in a recognized area of specialty, requiring additional licensure or certification (i.e. Assistant House Director and Family Therapist, Forensics).

Mental Health Therapist - Under clinical and administrative supervision, serves as a primary therapist and case manager, performing a comprehensive variety of professional treatment services.

Substance Abuse Counselor II - Under clinical and administrative supervision, serves as a primary counselor, performing a comprehensive variety of professional treatment services involving the exercise of independent judgment; OR performs a direct service function with agency-wide impact.

Mental Retardation Specialist II - Under clinical and administrative supervision, manages a residential facility and its assigned staff; OR provides case management to individuals receiving services under the Medicaid waiver; OR provides service coordination to families under Part H of the Individuals with Disability Education Act.

Mental Health Counselor - Under close clinical and administrative supervision, serves as a secondary therapist, performing a limited variety of psycho-educational training and treatments; may serve as the sole counselor on a night or weekend shift, independently performing a limited variety of professional treatment services.

Substance Abuse Counselor I - Under close clinical and administrative supervision, serves as a secondary counselor and performs a limited variety of professional treatment services involving the exercise of independent judgment; may serve as the sole counselor on a night or weekend shift independently performing a limited variety of professional treatment services.

Mental Retardation Specialist I - Under close clinical and administrative supervision, serves as a living skills/behavior management facilitator in a residential setting; OR serves as a non-Medicaid waiver/state plan option case manager; OR performs a program-specific function of limited scope.

Assistant Residential Counselor - Under close clinical and administrative direction, performs a limited range of support duties in a residential treatment facility; may serve as a night or weekend shift counselor under the oversight of a senior therapist.

MH/MR/SAS Aide - Under general supervision, to perform a variety of clerical and limited paraprofessional tasks in any of the program areas within the Fairfax-Falls Church Community Services Board (e.g., Mental Health, Mental Retardation, or Substance Abuse).
